

Ponies & Riding

Everyone loves a pony and we have some lovely experiences you can enjoy at Posh Pony.

Beginner Lessons in our boutique facility on a lunge line ensure the rider is supported to learn in safe, confined environment. We start with the basics of approaching, grooming and gaining a connection to mounting, walking and trotting. Alvin and Zappa are beautiful, gentle souls, perfect for beginner riders. 30 or 60 mins in Kurnell.

Pony Rides are ideal for young children who love horses but aren't ready to ride independently. We introduce Alvin and go for a leisurely walk so they can safely experience all the joy that ponies bring. Alvin has been working with children for many years and loves them just as much as they love him. Pony rides are 15 mins in Kurnell.

Pony Parties are so much fun! Alvin loves a good dress up and he is happy to come colour themed or dressed as a super hero, unicorn or fairy. Our parties are vibrant and flexible ensuring that the interests, learning styles and abilities of children are catered for. The party child and their guests will receive lots of love and attention from Alvin and can have pony rides, pats and all the pony cuddles they want. Each guest will also receive a lolly bag. Pony parties are two hours and can be at your party venue within Sutherland Shire or St George area.
