

# Pony Parties

Everyone loves a pony and we have some lovely experiences you can enjoy at Posh Pony.

Our fabulous Pony Parties are so much fun. How can they not be if the guest of honour is a pony! Alvin loves a good dress up and he is happy to be colour themed or dressed as a super hero, unicorn or fairy.

Our celebration sessions are vibrant, child centred, developmentally appropriate and flexible in their delivery. They can be for a birthday, school holiday treat or just because your little one (and their friends) need some pony time! We ensure that the interests, learning styles and abilities of individual children are catered for. The special guests will receive lots of love and attention from Alvin and can have pony rides and activities including brushing, decorating, pats and all the cuddles they want.

After the Pony Party or Celebration Session, guests can head to the beautiful National Park, the beach or a local cafe – all right on our doorstep at Posh Pony HQ in Kurnell.

Pony Parties for one guest are \$135 for 45 minutes. For two to four guests they are \$88 per person for 1 hour.
